

TOWN OF BYRON

FOND DU LAC COUNTY, WISCONSIN

LEGAL NOTICE

PLEASE TAKE NOTICE that on February 6, 2014 at 7:00 p.m. at the Town of Byron Town Hall, N3097 State Road 175, the Plan Commission of the Town of Byron will conduct a public hearing on a revised Town Zoning Ordinance and zoning map that may be adopted by the Town Board. The Zoning Ordinance text was revised to achieve recertification of the Zoning Ordinance under the Wisconsin Working Lands Initiative. The Zoning Ordinance's text differs from the previous version primarily with respect to land uses in the Farmland Preservation District, Town reporting requirements, and elimination of the farmland preservation "conversion fee." The zoning map has been revised to be consistent with the Fond du Lac County Farmland Preservation Plan, which is required for State certification.

The Plan Commission will make recommendations to the Town Board on the adoption of the revised Zoning Ordinance text and map. All interested parties are encouraged to attend. Members of the Town Board will also be present for information gathering purposes.

PLEASE TAKE FURTHER NOTICE that immediately following the Plan Commission hearing described above, the Town Board of the Town of Byron will meet to consider the recommendations of the Plan Commission and take final action on the proposed Ordinance and map. Members of the Plan Commission will also be present for information gathering purposes.

Both meetings are open to the public and all interested parties are encouraged to attend. Copies of the proposed Ordinance and map are available from the Town Clerk.

Dated this 23rd day of January, 2014.
